

CHARLOTTE
Okay come innnn

FRIEND
ahh so nice-

CHARLOTTE
WAIT please take of your shoes

FRIEND
really why I'm wearing my sock shoes

CHARLOTTE
Beacause its been raining and the floor is made of cardboard

FRIEND
oh I get it I see you did the cardboard thing

(FRIEND looks up)

Ahhh what the- so this is where the feminist art is!

CHARLOTTE
yeah it's beans

FRIEND
what?

CHARLOTTE
baked beans. You know like, "spill the beans.."-

FRIEND
Uhu, okay when did you decide that I thought you were just doing the TV show thing?

CHARLOTTE
yeah well I was going to just do the tv show and present my diploma in the residency I got you remember? The Lememburger and letter one or whatever it's called where you get the free apartment with a studio for a year-

FRIEND
Ahh the one you got from the academy?

CHARLOTTE
right but then I got evicted from there, so I decided to rebuild the studio that I would have had the diploma in. And also since breeder or sucker was a play first I wanted to make cardboard props again, otherwise I would have been sad

FRIEND
ah right

(FRIEND walks around)

CHARLOTTE
yeah, but did you get it?

FRIEND
Kind of- but this really doesn't look like a studio?

CHARLOTTE
No, I don't think it was meant for like a working artist studio

FRIEND
ah ok but it's really set up like as your old apartment?

CHARLOTTE
yeah because we had to keep filming and recreate that living-room set
for episode 1 and 2-

FRIEND
aaah ok I get it. And how long are the episodes?

CHARLOTTE
one is about 44 minutes and the other one is about 40

FRIEND
ouff that's fucking long. And how many episodes have you written?

CHARLOTTE
10

FRIEND
fuck. But why did you get evicted again?

CHARLOTTE
Well I got the scholarship because I was going to film in the apartment
with all the people that were helping me and collaborating with me on
the tv show, because it's so much about collaboration right?-

FRIEND
yeah yeah

CHARLOTTE
right so they didn't like that I had so many people round, but when
they gave me the scholarship they were aware that I was going to have a
lot of people to help me film-

FRIEND
yeah ok but you probably also had a lot parties no? I mean it is you at
the end of the day

CHARLOTTE
fuck off

FRIEND
I'm kidding

CHARLOTTE
no seriously we only had two, the move in party and in second one
everyone was in such a K-hole that we couldn't have made any noise

FRIEND
ok so two parties got you evicted.
I mean was it noise complaints?

CHARLOTTE
yeah well I had this neighbour who is some serious diplomat person who
I think didn't like the looks of the people I was bringing home

FRIEND
why should he care?

CHARLOTTE
maybe for the safety of his kids?

FRIEND
oh shit but the Academy backed you up in this right?

CHARLOTTE
no no they actually invented a new set of rules and said that I had two
and a half week to leave the place

FRIEND
what what kind of rules?

CHARLOTTE
one was like something that I wasn't allowed to use it as a party location and the other rule said that no other person than the tenant was authorized to sleep in the apartment overnight, and if I broke these rules I had to be out in a week

FRIEND
what?

CHARLOTTE
yeah and it was in the middle of a lockdown and a week before Christmas and my dog had just died-

FRIEND
ah I'm sorry about Tess!

CHARLOTTE
yeah such a good dog

FRIEND
wait so no one was allowed to sleep over?

CHARLOTTE
yeah well I guess we weren't really sleeping so-

FRIEND
ew, whatever, so...is that even legal?

CHARLOTTE
No that's what that plaque outside the cardboard house says

FRIEND
ah I couldn't read it since it's in German

CHARLOTTE
me neither but I had a friend write it out for me. Also most of the diploma committees will probably prefer German so-

FRIEND
wow yeah I get it but then that sucks that they didn't help more

CHARLOTTE
yeah but I suppose they just didn't wanna ruin the relationship with these residency donor people

FRIEND
cute

CHARLOTTE
yeah shall we see the other diplomas

FRIEND
yeah I really need a pick me up

CHARLOTTE
I have like a bump left but I think we're getting speed later

FRIEND
Great I just need a key

CHARLOTTE and FRIEND leave the cardboard house
